

2015 Water Conservation Rebate Program HIGH EFFICIENCY TOILET (HET) REBATE

HET Rebate: \$100.00 for new and installed HET 1.28 gallons per flush (gpf) that replaces an existing high-volume toilet (3+ gpf) in buildings built prior to 2005.

Rebate is available for all customers having active accounts with the City of Wichita Public Works and Utilities for delivery of potable water

Specifications

The High Efficiency Toilet (HET) must be WaterSense certified and use 1.28 gallons per flush (gpf) or less. For a complete list of qualifying devices visit the web page: www.savewichitawater.com.

Instructions

- HET must be purchased between Jan. 1, 2015 and Dec. 31, 2015. Rebate is available on a first come first served basis and is subject to availability of funds.
 - Mail the rebate application and original receipt along with the required information to the address at the top of the application.
 - Original copies of required information must be provided to verify purchase and installation. *Failure to provide the required information will result in the rebate request being denied.*
 - Required information must accompany the application and this includes:
 1. Original invoice or sales receipt showing the date and place of sale, date of installation (if completed by contractor), along with an itemized description of purchase and cost of item.
 2. Original proof of purchase with complete barcode, if self-installed.
 - No permit is required for installation of replacement toilets.
 - An inspection may be required and HET must be properly installed and functioning at the time of inspection.
 - There is a limit of 5 qualifying devices per active Water Utilities account, mixed or matched.
 - An old toilet must be properly disposed of in a manner that will prevent its reuse. Please recycle it if at all possible.
 - Rebate amount will not exceed the actual purchase price of HE toilet, and excludes taxes and costs of installation.
 - Rebates will be credited to applicant's water utility account.
